7 - 11 September 2026 | Expo Centre, Nasrec, Johannesburg

Hi there,

What problem are you trying to solve at work?

Downtime? Energy costs? Safety? Productivity? Water management?
Automation? Finding the right supplier?

Bring it to Electra Mining Africa next week.

More than 1,000 exhibitors are bringing the equipment, technology and technical expertise to help you find a better way forward.

Here's a taste of what you can see

Communicate safely while wearing a respirator

Dromex | Hall 5, Stand A20

Experience [Dromex's](#) South African-designed voice amplification device for full and half-mask respirators. Take part in the daily activation and you could win R2,000 in Takealot vouchers. Visit at 10:00 each day for a complimentary cappuccino and a screening of Dromex's short documentary about its local KZN manufacturing facility.

A remote-controlled demolition robot

See how [Conax Machine Solutions'](#) ConX-D200 Barbet can remove operators from hazardous work areas while maintaining powerful demolition performance.

Vision AI in action

Watch [DGC Africa](#) demonstrate its AI-powered monitoring and asset-integrity platform for mining and industrial operations.

Real-time underground production data

Explore [Accutrak's](#) conveyor belt scale and Trucktrak solutions for monitoring tonnage, equipment location and production performance.

Smarter underground ventilation

See [ABC South Africa's](#) new flameproof fan and live airflow-monitoring demonstrations, running several times throughout the day.

Power-quality solutions that could reduce costs

Bring your electricity account to [Alpha Power Solutions](#) and discuss maximum demand, reactive-energy penalties and potential power-factor improvements.

Large machinery up close

Explore the new Orange Zone and outdoor areas, featuring major equipment and OEMs including [Barloworld Equipment](#), [Komatsu](#), [Sandvik](#), [Bell Equipment](#), [SANY](#), [Manitou](#) and more.

And that barely gets us started.

Plan your route

Big equipment. Bigger possibilities.

See what Barloworld Equipment is preparing for the show.

Come for the equipment. Stay for the answers.

The free Seminar Theatre programme tackles the questions affecting industry right now.

Hear practical discussions on:

- Smarter tyre management and mine performance
- AI, automation and high-performance teams
- Water monitoring and mining's hidden carbon liability
- Decarbonisation and industrial competitiveness
- Electrification and intelligent mining technology
- Digital twins in South African mining
- Offline mineral tracking and logistics
- Mechanisation and locally developed innovation
- Leadership, mentorship and the mining talent pipeline
